Headteacher: Mrs T Allen

12.03.2025

Dear Parents / Carers,

Thank you so much to all those parents/carers who took the time to complete the Parent/Carer Feedback Survey. We received 37 responses out of a possible 179; the results are attached below. I am very pleased to let you know that the majority of responses received were very positive.

There were 2 questions which had fewer positive responses which were;

- The school makes me aware of what my child will learn each term (78.4% agreed)
- The school lets me know how my child is doing (78.4% agreed)

We email termly overviews of what each year group will be learning, this is usually at the beginning of each new term. If parents would like something different to this or they would like the information at a different time please let us know. We feel it's really important that parents are aware of what their children are learning so they can support them at home which will also support us in school.

We hold 2 parents' evenings a year where staff share a mentoring report which highlights positives and any targets your child is working towards. We also send out an end of year report which gives a detailed overview of your child's achievements and their next steps. Parents/carers of nursery children receive more regular feedback. If there are any concerns throughout the year, teachers address these with parents/carers as they arise. If there are any other ways you would like us to inform you of your child's progress, again please contact school by emailing info@ryhopeinfantschool.org.uk.

Your feedback is so important in helping us make our school the very best it can be. Thank you for your continued support.

Kind regards,

Mrs T Allen
Head Teacher
